FURNITURE CARE:

Following these few basic steps will help to ensure that you enjoy your furniture for a long time:

Do not expose your furniture to direct sunlight, dampness or any heat, like a hot cup of coffee or tea. Always use a coaster.

Excessive exposure to sunlight may cause fading.

Excessive temperature and humidity or cold may cause cracking or splitting.

Dust with a clean, damp, lint free cloth.

Use a damp cloth with water or mild detergent to clean all surfaces - do not use chemicals or paint thinner which will fade the surface.

Place a piece of felt or a pad under the legs of your furniture to avoid scratching the floor.
