SAFETY INSTRUCTIONS & WARRANTY

IMPORTANT SAFETY INSTRUCTIONS

- All electrical wiring must be properly installed, insulated, and grounded.
- Use this unit only in the manner intended by the manufacturer. If you have any questions, contact the vendor.

WARRANTY

- Bluetooth crown moldings carry a one year parts warranty.
- Replacement speakers are available from ZLINE. Call 1-614-777-5004.

WALL CROWNSOUND® INSTALLATION

ELECTRIC POWER RATING

Frequency: 110V/50 Hz

Power: 10W

Installation Tutorial Video

1. Attach crown molding bracket to ceiling using hardware provided. *Figure 1*

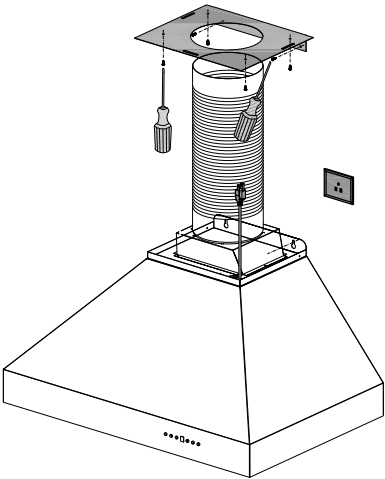

Figure 1

2. Attach ducting and electrical connections. Plug the speakers into an outlet behind the chimney. When the connection is successful, a chime will sound. *Figure 2*

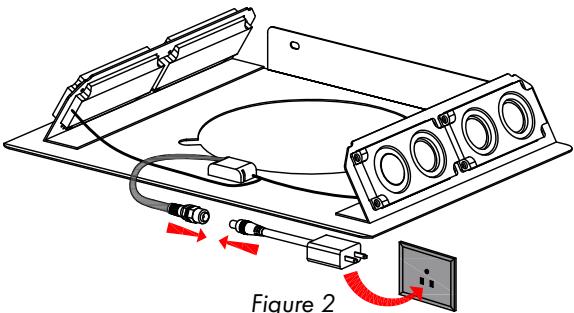

Figure 2

WALL CROWNSOUND® INSTALLATION

3. Extend the chimney up to the transformer. Slide the crown molding onto the crown bracket and secure into place. The crown should cover the gap. Ensure that it installs properly and is level. *Figure 3*

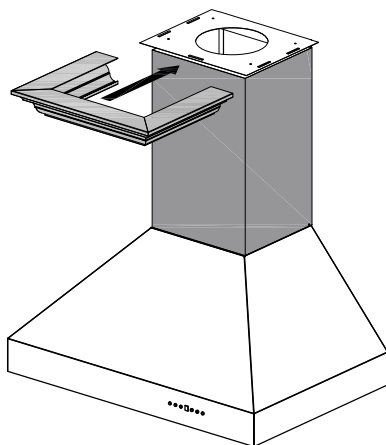

Figure 3

4. Open the phone's Bluetooth settings and find "ZLINE Audio." When the connection is successful, a chime will sound. *Figure 4*

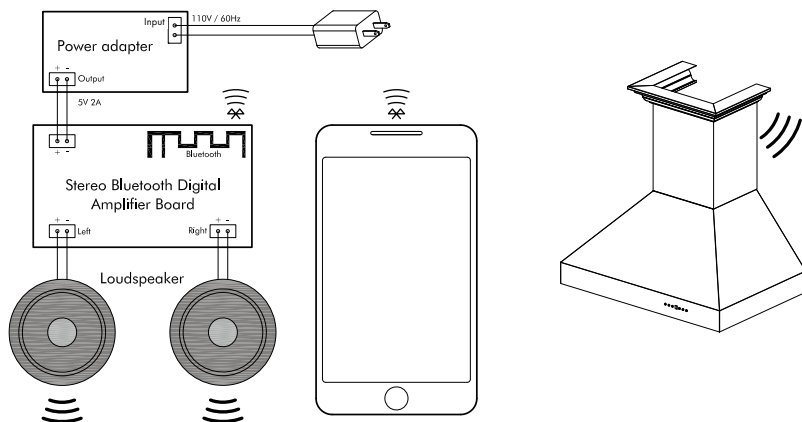

Figure 4

Bluetooth crown moldings carry a one year parts warranty. Replacement speakers are available from ZLINE. Call 1-614-777-5004.

TROUBLESHOOTING & FAQ

How many devices can the Bluetooth speakers sync to at a time?

Only 1 device can sync at a time.

What is the decibel rating of the Bluetooth speakers?

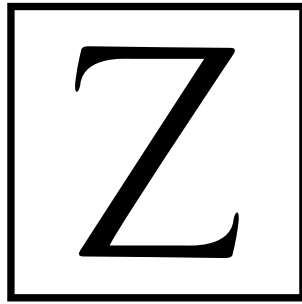

Up to 100 decibels.

What is the range of the speakers? What's the maximum distance for the connection to work?

Up to 50 feet. If the connection is weak, move closer to the speakers or remove obstacles that are between the device and the speakers.

"ZLINE Audio" won't appear in the Bluetooth settings.

Check if the electrical connections are secure. A chime will sound if the connection is successful. If "ZLINE Audio" still will not appear, call ZLINE at 1-614-5004 for a replacement.
