## How To Assemble Butterfly Chair

### Parts Included in Box

1. Base Metal frame

2. Four Metal V frames (two large and two small)

3. Seat Cover

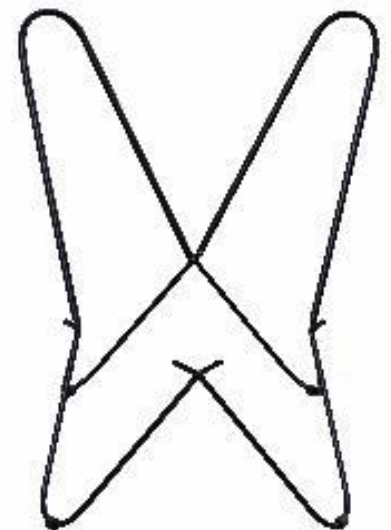

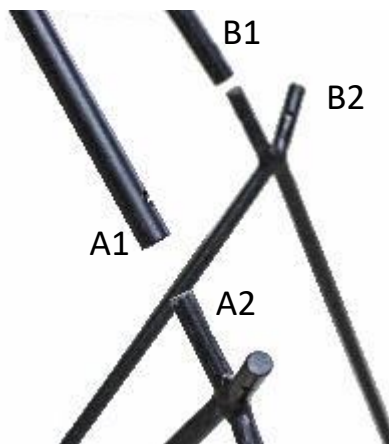

Back view

4. Allen Key one piece and four Screws

### STEP BY STEP ASSEMBLY

- Keep the Base metal frame on the floor and connect the 2 large frames
- Connect Base metal frame to the two long V frame so that ends marked A1 meets A2 , B1 meets B2 , C1 meets C2 and D1 meets D2 as marked above .
- Place the screws in the screw holes provided and tighten them with the Allen key .

Connect the Smaller V to the base metal frame in same method described above so that E1 meets E2, F1 meets F2 , G1 meets G2 and H1 meets H2 . Place the screws in respective holes and screw with Allen key to fix them .

Metal frame is ready .

- Place the Seat cover on the frame and fit the cover pocket over frame as shown below.
- Butterfly chair is ready to use
- Maximum weight limit 225lbs
