| 19                                                                                    | 20                                                                                    |
|  |  |
| 4PCS                                                                                  | 4PCS                                                                                  |

## STEP 38:

Align the slide rail at the bottom of the drawer and ensure it is secure, then push the drawer in firmly to make the slide rails smoothly on the track.

**Make sure to tighten all the screws of the bed.**
