Please read through before starting assembly.

Check Box for These Contents

In the event of missing or defective parts please call our customer service dept. at **1 800 282 9346, ext #20** (Mon. to Fri. 8:00 AM to 4:00 PM EST).

1. Post Cap (6)
2. Short Rail (12)
3. Post (6)
4. Long Rail (16)
5. 4" Stainless Steel Screws (64)

General Information

- **Read Instructions through carefully before beginning assembly.**
- When assembling components, place on a non-abrasive surface (i.e. shipping box) to avoid scratching.
- We recommend an area approx 4'x 8' for unobstructed assembling.
- You should not need to use excessive force when assembling components.

5

Not to Scale

Ver 1.0/NOV 2013

STEP ONE

Assemble the Long Wall

1

Take two posts and slide four long rails between the two openings as shown.

2

Using the screws provided, fasten the rails to the posts.

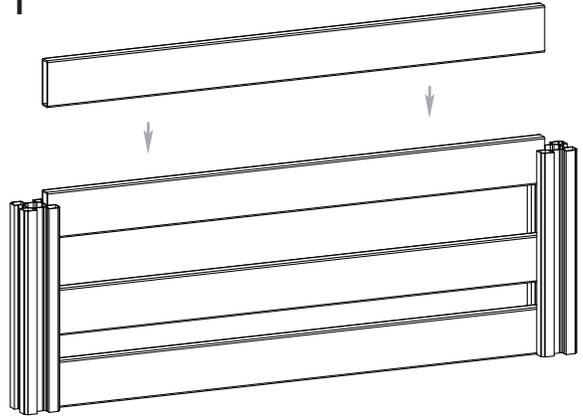

3

Fasten another section of post and four long rails as shown.

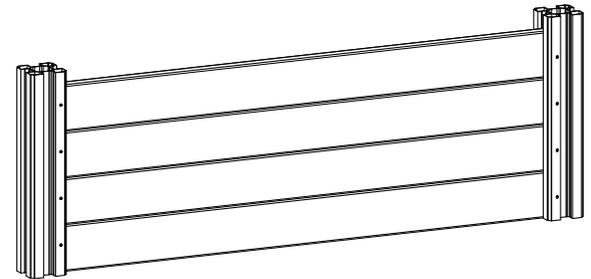

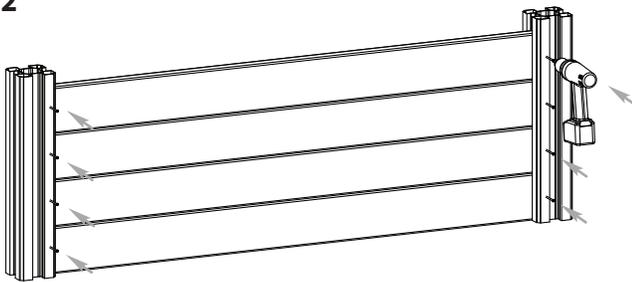

4

Repeat steps one through three for a second long wall.

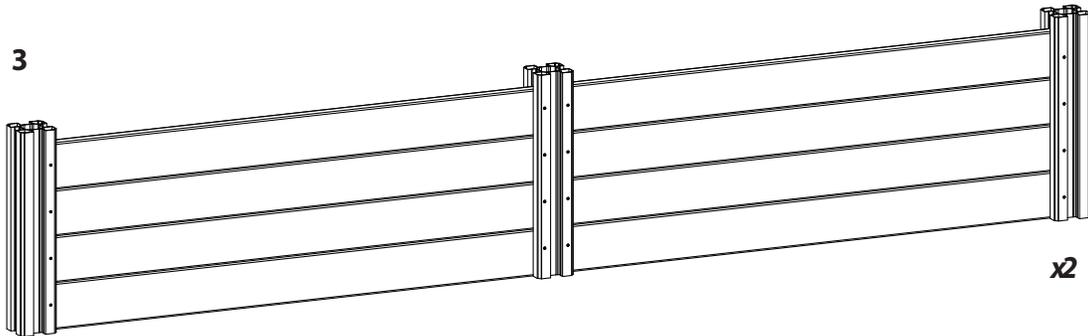

1

2

3

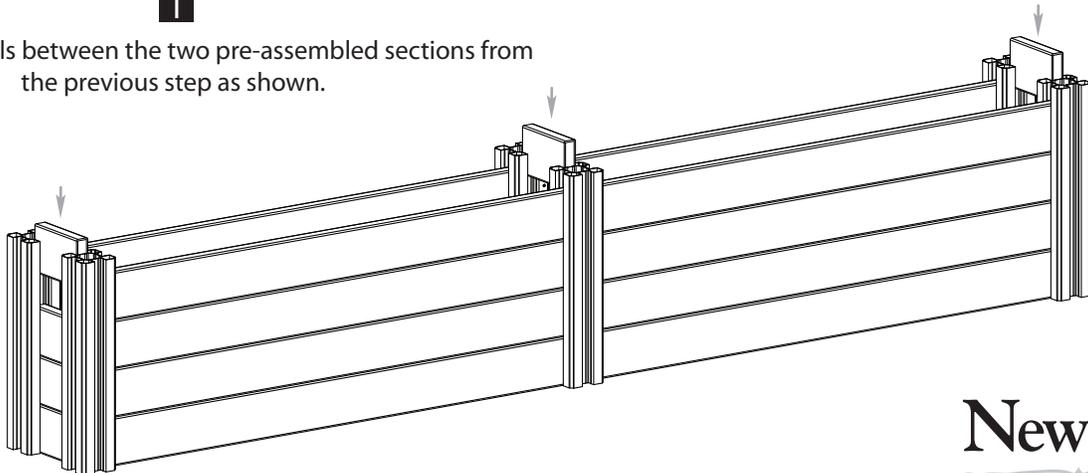

STEP TWO

Assemble the Garden Bed

1

Slide 12 short rails between the two pre-assembled sections from the previous step as shown.

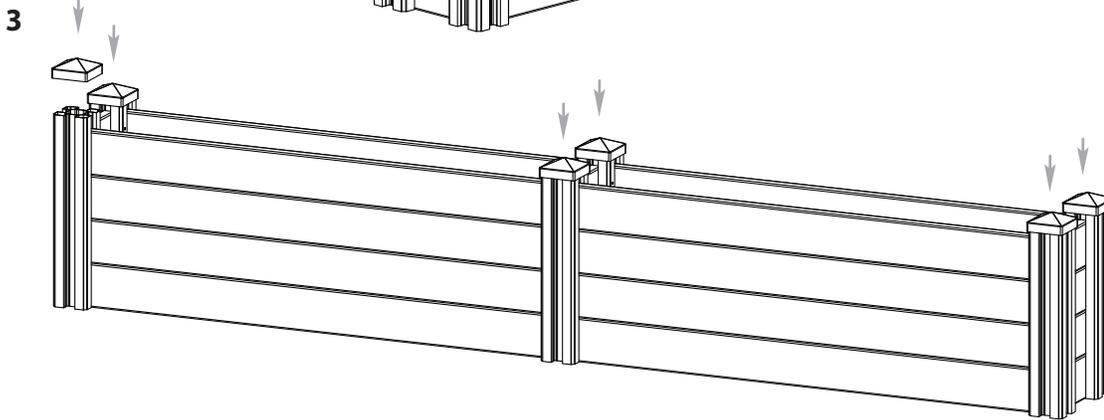

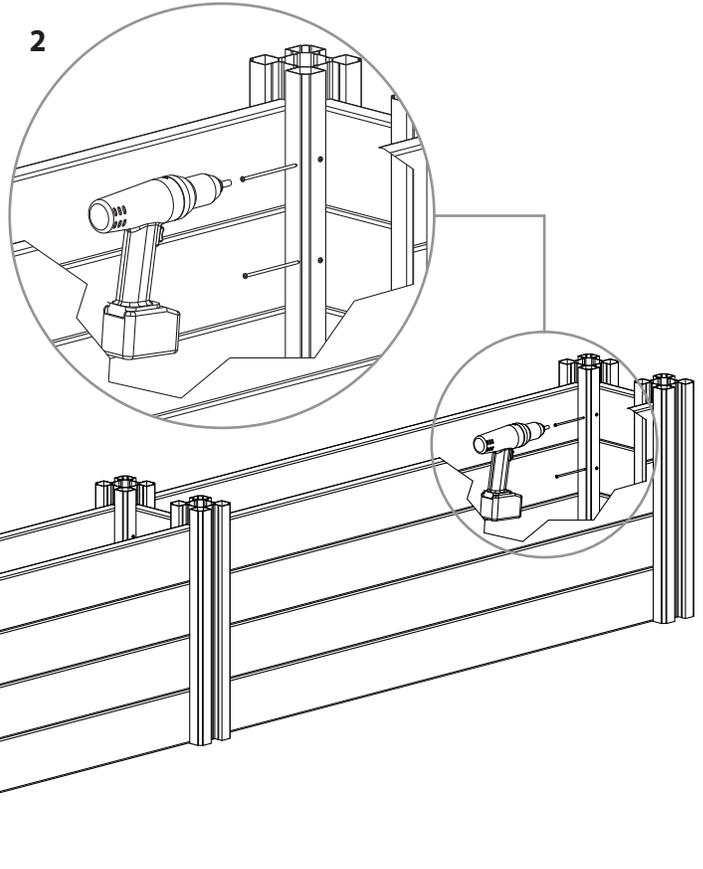

STEP TWO

2

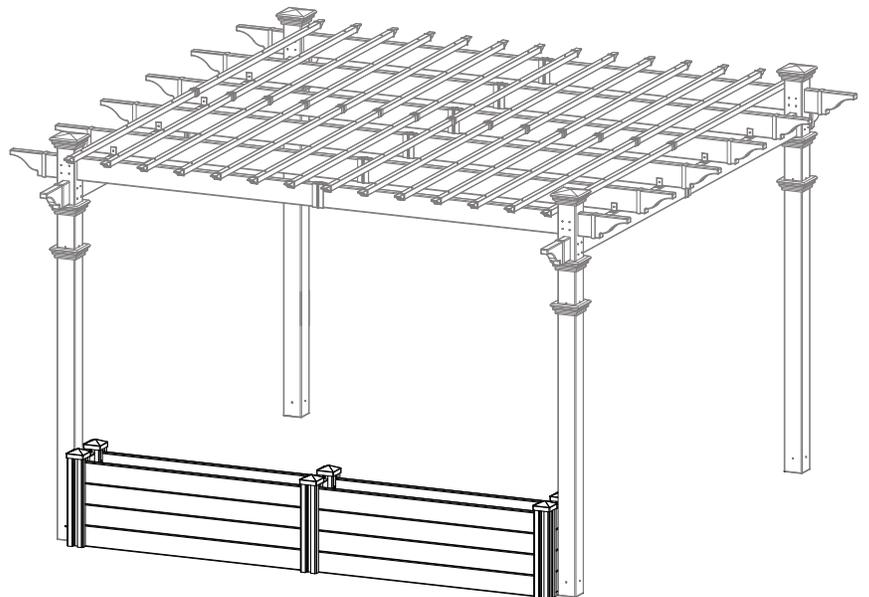

Fasten the 12 short boards with the screws provided (32 total).

3

Pressure fit the post cap into place as shown.

Note: The 12' Pergola Garden Bed is designed to fit between the two posts of the 12'x12' pergola (sold separately) as shown.
