

VULCAN Series - GLS30501

30" Built-In Gas Cooktop

FOTILE

FOTILE offers an impressive 30" gas cooktop with 5 sealed burners, including a center mounted Tri-Ring burner with 21,000 BTUs and wok support. Overall heat output for the FOTILE VULCAN cooktop is 56,000 BTUs. FOTILE VULCAN Cooktops - We are professional grade for your kitchen!

+ Signature Features

21,000 BTU Tri-Ring Output Center burner
Tri-Ring High Output Center burner can be used for power boiling, searing, pan frying and stir frying with the included wok attachment. The Tri-Ring Burner provides directional heat to the pan by positioning the flame based on the amount of burner rings you turn on.

Two left burners deliver **13,000 BTUs** each offering high heat along with optional griddle control.

Flame Failure Device will automatically cut off the gas supply within 20 seconds in case the flame goes out.

Dedicated Simmer Burner capable of going to 3,000 BTUs. This low power burner is ideal for simmering or heating delicate sauces with accurate consistent low temperature so they will not burn.

+ Other Features

Stainless Steel Finish

Easy to Clean

Sealed Burners

Edge to Edge Cast Iron Grates

High Heat Output:

- Center: 21K BTU
- Left Front/Rear: 13K BTU x2
- Right Front: 6K BTU
