Z-Bar pendant

Designers
Kenneth Ng, Edmund NgBest of NeoCon GOLD 2016
iF Design Award 2017
Red Dot Design Award 2017

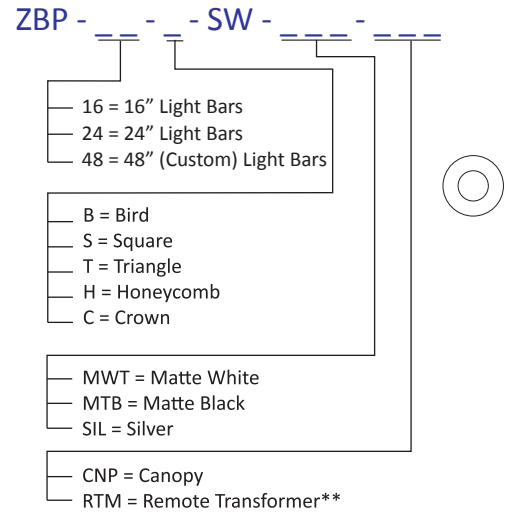

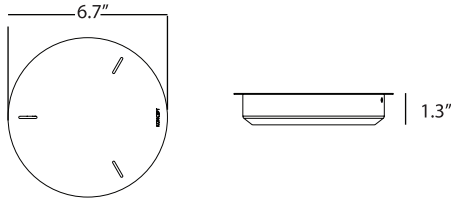

The award-winning Z-Bar Pendant comes in various standard configurations and sizes. Each LED light bar rotates independently, allowing you to shine light upwards for ambience or downwards for tasks. Designers can create custom configurations using a dedicated web application. Z-Bar Pendant Triangle, Square and Honeycomb are compatible with Koncept's acoustic panels.

Lumens: 600 per 24" light bar* / 400 per 16" light bar
 Energy Consumption: 10 W per 24" light bar / 7 W per 16" light bar
 Rated Lifespan: 50,000 hours
 Color Temperature: 3,000 K
 Color Rendering Index (CRI) : 90
 Brightness Adjustability: Compatible with many ELV wall dimmers**
 Material: Aluminum, plastic
 Safety Rating: C-UL-US Certified
 Warranty: 5 years
 Voltage: 120 V
 Standard Finishes: Matte Black, Matte White, Silver

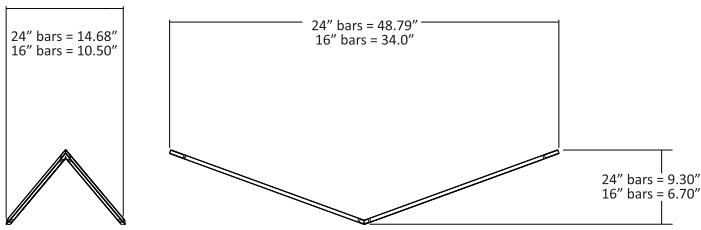

*3000 lm for single Honeycomb (24") with canopy

**Contact marketing@koncept.com for a list of compatible dimmers. Remote transformers are only compatible with 1-10V dimmers.

LEED Information

Integrative Process

To support high-performance, cost-effective project outcomes through an early analysis of the interrelationships among systems.

Concept's LED lighting fixtures operate at high efficacy, therefore helping to minimize energy costs. All Koncept lighting fixtures are dimmable so that occupants can choose the appropriate setting to avoid energy overuse.

Interior Lighting

To promote occupants' productivity, comfort and well-being by providing high-quality lighting.

Concept's entire line of hardwired lighting fixtures are dimmable. Users can adjust the brightness settings to suit their needs. Furthermore, all products utilize high quality LED light sources with CRI over 80 and L70 rated lifespan over 50,000 hours.
