TOPMOUNT

**MATERIAL**

Our procelain sinks are made from mixture of clay and other minerals, that is triple-glazed and triple-fire at about 2,000 °F. The result is a glossy porcelain surface known as vitreous china, which is denser, glossier and more durable than regular porcelain.

VITREOUS CHINA

**PRODUCT DIMENSIONS**

Overall Dimensions	14 1/2" x 14 1/2" x 5"
Internal Dimensions	-
Drain Opening Size	1 3/4"

<b>SINK SHAPE</b>	<b>DRAIN HOLE SIZE</b>
SQUARE	1 3/4" STANDARD SIZE

**SURFACE SIZE**

15" MINIMUM SURFACE SIZE

**SMOOTH SURFACE**

We control the glaze thickness from 1.2-1.3 mm to achieve a smooth and easy to clean surface and eliminate water absorption.

**WARRANTY**

This product is covered by a limited lifetime warranty. Consult our website for complete details.

**PRODUCT CARE**

Clean your sink every day to prevent a buildup of soap scum, grease and dirt. Use a wet sponge with liquid dishwashing. Scrub the sink's surface using a soft non-abrasive cloth or sponge. Wipe the sink dry with a dish towel or other soft cloth to eliminate water stains. For deep clean cover the sink with paper or cloth towels and pour undiluted bleach. Be sure the area is well ventilated and let the bleach-saturated towels sit for 15 to 30 minutes. Rinse thoroughly with water and wipe dry with a dish towel or other soft cloth.
