FEATURES

- 5mm Copper free mirror.
 - Sheet metal backed
 - Mounting type: Vertically.
- Energy Efficient and Long Lasting LED Lighting.
- 1 Year Limited Warranty on Electronic Components.

LIGHTING:

- LED (Light-Emitting Diode).
- Defogger.
- Bluetooth
- Color Temperature: 3000K / 4000K / 6000K.
- Power Source: Input: 110volts, 50/60HZ.
- IP44 rated.
- Brightness Lumen: 3000LM; CRI>80
- Power Consumption : 48Watts ;
- Energy saving LED lifetime approx 50,000 hours.
- UL certificated for electric power supply, defogger and LED strips.

Available Standard size:

30" x 30"

Certification:
