

## ERGONOMIC WEDGE BOLSTER PILLOW

This fiber filled backrest wedge bolster pillow is scientifically designed with Ergonomics to provide the best support, comfort & protection to our upper body. It can effectively release the pains from lumbar, back, shoulders & spine or prop up your neck & head when you slide down with it. It can also uplift our legs or reduce acid reflux issues when we lie down on the wedge at its proper position.

Shoulder Relax

Back Pain

Neck Issue

Lumbar Support

Acid Reflux

Breathing

Leg Uplifting

## UPGRADED ERGONOMIC SHAPE DESIGN

We carefully summarized all the discomforts when we are sitting up in bed and leaning our back against the headboard / wall and then analyzed the deficiency of ordinary bed pillows when solving these issues and finally designed this outstanding bed rest back support pillow.

## Our Product (Side View)

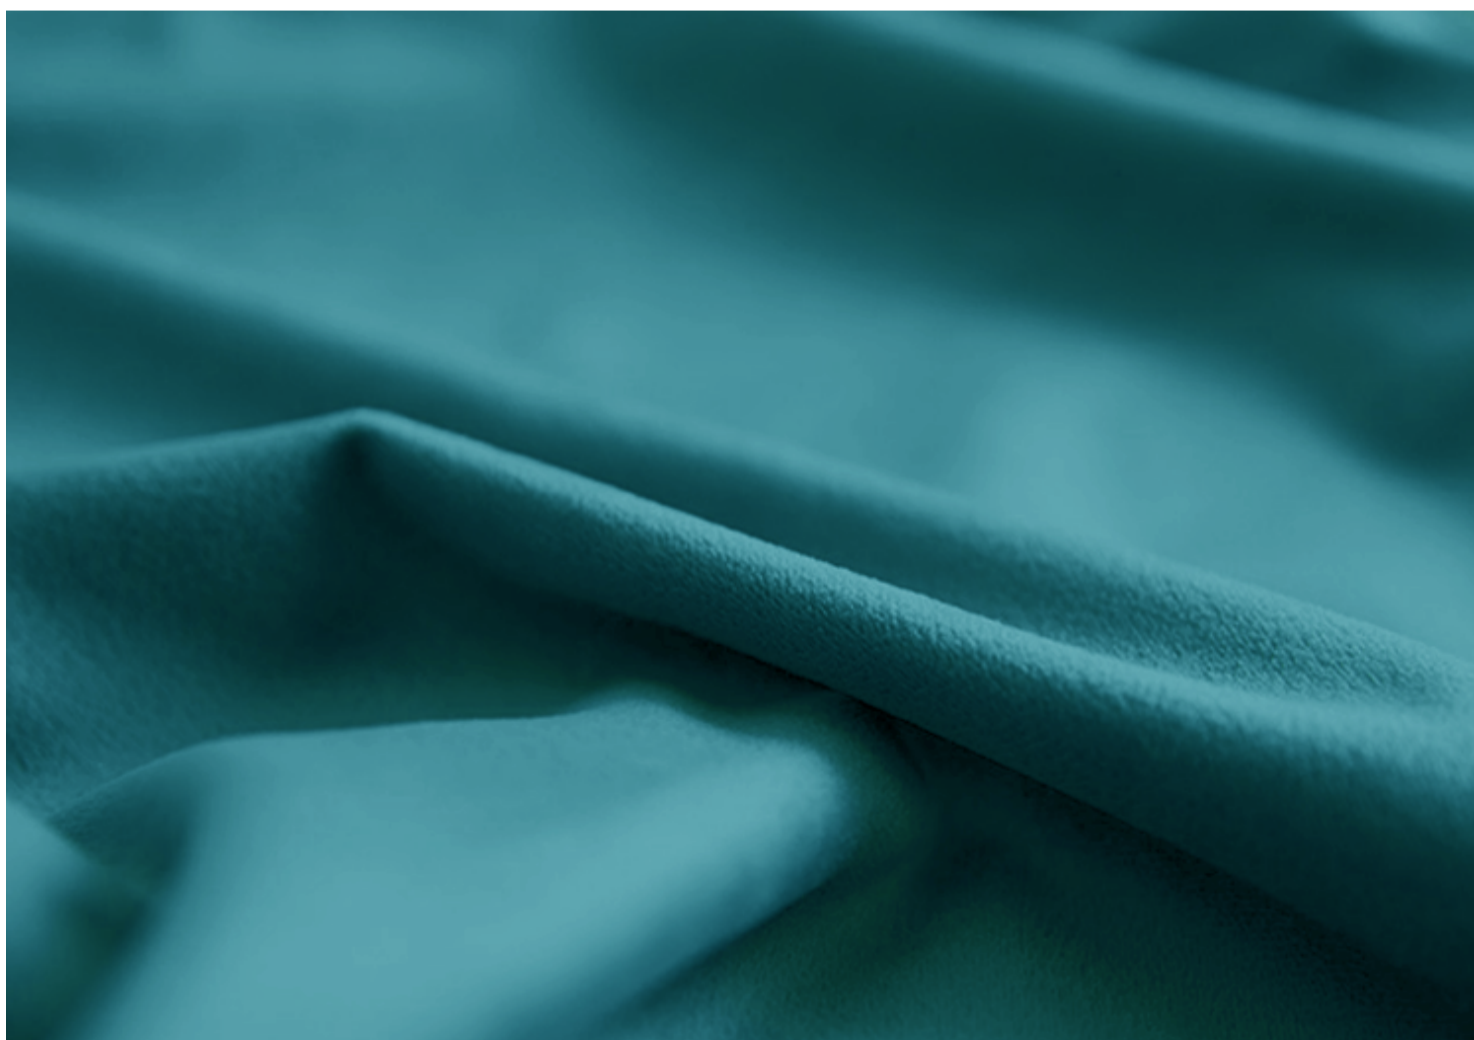

The triangular shape design  
 fulfills the triangular space  
 between headboard and mattress  
 The ergonomic front surface  
 effectively supports our full back  
 and relaxes our muscles  
 Suitable for long time sitting  
 Buttons keep the wedge shape stable

## Ordinary Pillow (Side View)

No fixed support point  
 No support at the waist  
 Unstable in external structure  
 Deformed easily

## DECORATIVE FEATURES AND QUALIFIED FABRIC

Besides the ergonomic design, we also concerned a lot on the decorative purposes. The distinguishing wedge bolster shape shall bring you a completely new look to your bed and the button held areas add more beautiful and soft views to the plain triangle look. Both pillow cover and pillow insert are made with high quality fabrics and are extremely durable for long term use. For cleaning purpose, you can firstly open the zipper and then unfasten the buttons from the button holes on the pillow cover for machine washing.

Daybed

## MULTI-PURPOSE OF USES

Support our back, lumbar & shoulders and relax with this extra long over-sized fiber filled bed rest bolster wedge pillow when sitting up in bed or on the floor for reading book, watching TV, surfing laptop, playing video games, breastfeeding and resting after surgery. Prop up neck and head with comfort when lying back down in a reclined position. Elevate legs or other parts of body and provide proper upright position. Function as a removable headboard against wall or make up an upholstered headboard. Transition daybed to sofa. Alleviate discomfort associated with acid re-flux, GERD, heartburn as well as back pains. Can be used by many persons at the same time. Video game players can find more leisure with it by reducing back tiring. Much softer and more comfortable than memory foam wedge but still sturdy. Special holiday gift pillow for teens, adults and for many occasions.
