

ANDREW MARTIN

Fasano Storm/Vieste

Cushion

Designed in collaboration with renowned interior designer Sophie Paterson, this calming and elegant herringbone print is matched with smooth velvet piping, epitomizing the relaxed sophistication of Salento's sun-soaked coastline. Handmade in the UK and filled with sustainably sourced duck feather and down. Scatter with cushions in similar colours and contrasting patterns to add interest to a neutral colour scheme.

The fabric used in this design is printed on the edge of the Lake District using ECOFAST technology, a digital pigment printing method which uses 50% less water than traditional techniques.

Specification
