

## Montrose Adjustable Color LED Sconce MNS Series

### Features

Transitional style torch fixture. Sconce is ADA compliant and features an off white hard-back linen shade. Open top and bottom. Fixture mounts to standard junction box (not included).

### Construction

Canopy and socket cup are die-formed of 22-gauge steel. The tapered torch-style arm is 22-gauge and is affixed to a decorative canopy. Torch-styled arms require minor assembly. Standard mounting holes and hardware are included. Power supply connections must be made inside a junction box (not included).

### Finish

All metal parts are satin nickel with polished accents or oil-rubbed bronze finish with a clear lacquer topcoat.

### Diffuser

Single open back off white linen shade is held in place with wire form and retaining nut.

### Electrical

This unit is direct wired to 120V VAC input voltage. Dimmable.

### Lamping

Fixture includes LED modules capable of producing:  
7W, 500 source lumens (single)  
14W, 1000 source lumens (double)  
Adjustable Choice 3000K, 3500K, 4000K (CCT).  
Rated for 50,000 Hrs. 90 CRI.

### Certification

All fixtures are cULus listed for damp locations.  
ADA

### Warranty

Limited warranty: This fixture is free from defects in materials and workmanship for a period of 5 years from date of purchase.

Specifications and dimensions  
subject to change without notice.
