

TV36SBRV (shown with Tekwood Vintage)

FEATURES

- Table top frame and skirt are powder-coated aluminum
- Electroplated steel post and base provide maximum stability and strength
- Leg end caps provide protection against marring and scratching of surfaces
- Easy assembly
- Seats 4
- Pair with Travira or Argento bar seating
- Low-maintenance and ideal for outdoor applications

MATERIALS

Powder-coated aluminum is durable and lightweight. Its rustproof nature and resistance to chipping or peeling ensures furniture will remain beautiful over its lifetime. Electroplated galvanized steel adds an additional level of strength to the table. Tekwood is a wood-alternative developed from polystyrene providing the look of wood without the weathering process. Lite-Core is an engineered panel of natural granite with an aluminum honeycomb core resulting in a beautiful surface that is durable and lighter in weight than solid stone.

CONSTRUCTION

Welded steel & aluminum

HARDWARE

Stainless steel
