Universal Hole Patterns	————>	Fits Standard VESA hole patterns and non-standard patterns
Lateral Adjustment	————>	Allows you to move the TV side to side for perfect centering
Built-In BubbleLevel	————>	Easy to install

Product Description:

Mount medium and large TVs securely with the 5046F Master Mount TV mount. Made of super strong steel, this low-profile TV mount will hold up to 165 lbs and fit non-standard and VESA standard hole patterns up to 400 x 600mm. The arms can be adjusted side to side to perfectly center on your wall. The low-profile of 1.25" keeps TVs flat against the wall for a slim look and clean lines. The open backed frame allows for easy cable routing. Includes all hardware, installation manual and has a built-in bubble level for fast and easy installation. Durable black powder-coated finish. Fits most screens up to 70+" however, check the VESA hole pattern and weight of your TV to confirm compatibility. Lifetime Warranty against Defects.
