COLLECTION

HAND-TUFTED FROM 100% IMPORTED WOOL

Natural contemporary shapes are the main focus of this collection where you will find rugs from mild to wild. Mimicking the spherical works of glass art, the Marble Collection consists of a main overall tone with contrasting swirls of complimentary colors. These gorgeous Hand-Tufted rugs are produced using space-dyed, 100% imported wool which is then spun into a premium yarn. Each of these single pile rugs is then serged by hand and backed with cotton canvas.
