

THE BATTERY

1. The battery is the source of electrical energy for the vehicle.

2. The battery is located in the engine compartment.

3. The battery is connected to the engine by a cable.

4. The battery is connected to the engine by a cable.

5. The battery is connected to the engine by a cable.

6. The battery is connected to the engine by a cable.

7. The battery is connected to the engine by a cable.

8. The battery is connected to the engine by a cable.

9. The battery is connected to the engine by a cable.

10. The battery is connected to the engine by a cable.

11. The battery is connected to the engine by a cable.

12. The battery is connected to the engine by a cable.

13. The battery is connected to the engine by a cable.

14. The battery is connected to the engine by a cable.

15. The battery is connected to the engine by a cable.

16. The battery is connected to the engine by a cable.

17. The battery is connected to the engine by a cable.

18. The battery is connected to the engine by a cable.

19. The battery is connected to the engine by a cable.

20. The battery is connected to the engine by a cable.

21. The battery is connected to the engine by a cable.

22. The battery is connected to the engine by a cable.

23. The battery is connected to the engine by a cable.

24. The battery is connected to the engine by a cable.

25. The battery is connected to the engine by a cable.

IGNITION

1. The ignition system is responsible for starting the engine.

2. The ignition system is located in the engine compartment.

3. The ignition system is connected to the engine by a cable.

4. The ignition system is connected to the engine by a cable.

5. The ignition system is connected to the engine by a cable.

6. The ignition system is connected to the engine by a cable.

7. The ignition system is connected to the engine by a cable.

8. The ignition system is connected to the engine by a cable.

9. The ignition system is connected to the engine by a cable.

10. The ignition system is connected to the engine by a cable.

11. The ignition system is connected to the engine by a cable.

12. The ignition system is connected to the engine by a cable.

13. The ignition system is connected to the engine by a cable.

14. The ignition system is connected to the engine by a cable.

15. The ignition system is connected to the engine by a cable.

16. The ignition system is connected to the engine by a cable.

17. The ignition system is connected to the engine by a cable.

18. The ignition system is connected to the engine by a cable.

19. The ignition system is connected to the engine by a cable.

20. The ignition system is connected to the engine by a cable.

21. The ignition system is connected to the engine by a cable.

22. The ignition system is connected to the engine by a cable.

23. The ignition system is connected to the engine by a cable.

24. The ignition system is connected to the engine by a cable.

25. The ignition system is connected to the engine by a cable.
