

17004R

6" Non-IC Remodel Shallow Housing

Product Description

Suitable for remodel construction in residential and commercial applications. NON-IC. Insulation must be kept a minimum of 3" from housing.

Housing

Integral thermal protector guards against improper lamping and misuse of insulation materials. Adjustable socket bracket assures proper and consistent lamp positioning. 5 7/8" height allows use in 2" x 6" joist construction.

Junction Box

Listed for through branch circuit wiring and includes several 3/4" knockouts. Supplied with three push-in wire connectors.
