Methodology

Data reflects year over year growth in U.S.-based searches on Houzz from January-March 2026 versus January-March 2025.

About Houzz

Houzz, the leading AI-driven platform for construction and design, empowers industry professionals and homeowners with the tools they need to make every project a success. The company's cloud-based project management and design software, Houzz Pro (pro.houzz.com), helps pros win projects, collaborate with clients and teams, and run their businesses efficiently and profitably. Houzz Pro also provides pros and their clients with 24/7 access to project information, 3D visualizations and financial tools. Using Houzz, people can find ideas and inspiration, hire professionals and buy products. The Houzz platform is used by more than 3 million construction and design industry professionals and over 70 million homeowners and home design enthusiasts around the world. Houzz and Houzz Pro are available on the web and as top-rated mobile apps. For more information, visit houzz.com.
